

Communicating with parents Policy

The nursery communicates information with parents in the following ways:

- on our website
- through termly newsletters / parents letters - upcoming events etc in nursery and uploaded to family
- through our facebook page www.facebook.com/noahs.nursery - upcoming events / advertising
- through our facebook private group 'Noah's Ark Fun club' - periodically
- daily through staff handover when coming into nursery or picking up from nursery / club
- Reports produced termly & Moving on reports when your child starts school
- Creating a craft file for your child which is sent home termly
- Open day annually
- Photo displays and information boards around nursery
- Policies and procedures available to view many on our website
- through the nursery management app, daily information shared to - FAMILY

FAMILY APP

Noah's ark uses the Family app for closer communication with parents the app includes invoicing, messaging, news, photo sharing, day to day information and learning journeys.

On registering with Noah's Ark you will be sent a link via email (the email provided on the registration form) a welcome email to join and download the app - we please ask you to join as it is our main communication platform.
